UPCOMING TRAININGS & FUNDING OPPORTUNITIES

CALIFORNIA
SCHOOL-BASED
HEALTH ALLIANCE

Putting Health Care Where Kids Are

ACEs LEARNING COMMUNITY

- CSHA launching an ACEs Learning Community for SBHCs
- Opportunity to integrate ACE screening and response in SBHCs
- Grants of up to \$10,000 available
- Webinars, collaborative learning, and individualized technical assistance offered
- SBHC must have MediCal providers, and be interested in piloting or launching ACE screening

Learn more at this [link](#).

ACEs Aware Learning Community for SBHCs [Application](#)

Deadline: Nov 9, 2024

TUPE GRANT OPPORTUNITY

- CSHA is seeking to partner with **5 school sites** that have a SBHC or WC and a youth advisory board to participate in a peer-to-peer tobacco and vaping prevention initiative
- Partners will receive training for adult allies, who will then train their youth on prevention education
- Youth leaders will deliver tobacco and vaping prevention education to their peers through outreach events and/or campaigns at their schools
- **\$4,000 grant** is available for the 24/25 school year

If you are interested, please submit form using [this link](#) or this QR code

HEALTHY FUTURES CURRICULUM EVALUATION

- CSHA partnering with Stanford to evaluate their Healthy Futures Curriculum
- Opportunity to receive training on an alternative to suspension curriculum
- Grants of \$10,000/year available (3 year commitment)
- Schools/SBHCs must have student population of at least 1,000 **high school** students
- Participate in a randomized trial and follow up surveys. Control group will switch to the Healthy Futures curriculum in Year 2.

If you are interested, please complete the form at [this link](#) or this QR Code
