1. Who will be the main point of contact once the SBHC is established?
2. What kind of questions should we ask if a health care organization is NOT a non-profit?
3. How can we improve our advocacy efforts to facilitate the legal requirements that allow partners to “set up shop” on campus?
4. How can emergency services be provided on site?
5. Can you bring services to our site? (or close by)
6. Are your resources sustainable?
7. Are you able to expand your services to caregivers?
8. What are the community needs? All areas are different.
9. Are there mobile dental units available for contract?
10. What is the timeline of opening and operating an FQHC? (or new access point on a school campus)
11. What are the different structures of an FQHC?
12. How can we create a direct referral system from the school? Mental and physical health
13. Do school-based health centers require a LEA staff member to be present at the clinic (for when students need to seek services)?
14. What types of insurance are accepted?
15. How do SBHCs serve undocumented students?
16. How does a school district get started or partner with a FQHC?
17. How do schools who are barely in the planning stage start? What’s the baby step?
